Re: Update to 4/9/2020 Letter - How Holbrook Life Communities are Handling COVID-19 According to Governor Brian P. Kemp's Executive Order

Dear Residents, Families and Associates:

On April 9, 2020, we wrote to you that Governor Brian P. Kemp signed the *Executive Order to Ensure the Safety of Employees and Residents of Nursing Homes and Long-Term Care Facilities*. In the letter we reminded you of the community protocols and actions we are currently following. Please note that our **Resident Return from Hospital or Other Care Facility** protocol should read as follows:

- **RESIDENT RETURN FROM HOSPITAL OR OTHER CARE FACILITY -**
Residents are placed on a Well Check and will self-quarantine in their apartments for a minimum of 14 days to monitor their COVID-19 status.

If you would like additional information about on our current protocols and actions, please contact your Community's General Manager.

Hospitably Yours,

Your Holbrook Life Management Team
